

A COLLECTION CRAFTED FOR THE MODERN GLOBETROTTER

AN INTRODUCTION

Explore The 1971 Collection, which honours Molton Brown's founding year and proud legacy as small-scale English artisans curating the best natural ingredients.

Our organic philosophy was the first of its kind. We hand-blended herbal formulations at our original salon in Mayfair, London, using traditional techniques with a human touch.

Since the beginning, our hotel amenities have shared the same high-quality distinctiveness as our retail collection. Made by our master perfumers with the freedom of creative originality, we compose the imaginative, the vibrant, the unexpected.

Rooted deeply in our artisanal heritage whilst upholding our luxurious essence, The 1971 Collection has been crafted with the modern globetrotter in mind.

CRAFTED FROM OUR ARCHIVES

We delved into our archives to inspire the one-of-a-kind design of our new collection. The monochromatic, apothecary-style bottles are a nod to our past practice of pouring hand-crafted mixtures into amber glass vessels for enhanced UV protection.

We reinvented the 'MB' monogram from some of our earlier products, lending a strong visual presence and symbol of effortless unity to this collection. All finished with a twist of the distinctive, ribbed black cap.

A beautifully simple design that honours our heritage with a sense of the minimalist contemporary.

THE FRAGRANCE

MANDARIN & CLARY SAGE

An enlivening fragrance of refreshing mandarin peel extract and balancing clary sage flower to energise the senses and restore wellbeing.

MANDARIN *citrus reticulata*

The aroma is sweet, fruity and citrusy with a light floral undertone, distinguished by its sensual, neroli-like trail.

Famously cultivated in China, it is a traditional symbol of abundance and good fortune.

CLARY SAGE *salvia sclarea*

A fresh, herbal note that is slightly floral and musky with amber accents. It is most commonly cultivated in Russia, France and Hungary with a long history of use in folklore as a cleansing and purifying herb.
