THE DISPENSING PROGRAMME

Discover our dispensing programme and bestow an elegant statement to your guests' bathrooms. Our polished chrome dispensers are designed to accommodate full retail size bottles from our 1973 Collection.

Our dispensing programme enriches the luxury credentials of your hotel amenities. Most significantly, it demonstrates your commitment to environmental sustainability. As it can be replenished with five litre refills, this eliminates the need for single-use bottles.

For a sophisticated and cohesive aesthetic, extend the dispenser experience throughout your hotel, spa, fitness areas and restaurants. Please call your regional sales manager for more information.

Warmest regards,

The Molton Brown Hospitality Team
