MOLTON BROWN RESORT COLLECTION

LONDON VIA THE WORLD

Enjoy exploring our shampoo, conditioner, bodywash and lotion,
all blended with active plant extracts and aromatic oils.

We've housed them in refillable porcelain decanters with sustainable tropical wood
stoppers to save on waste and minimise our impact on the environment.

For your Molton Brown ingredient and product guide, just ask one of our team.

Safety

These porcelain decanters are breakable (*so be careful not to drop them*).
Please don't use them to store food or drink.

All amenities are supplied by Molton Brown.

MOLTON BROWN RESORT COLLECTION

Porcelain decanters with sustainable tropical wood stoppers.

Care guide

Empty and wash decanters every day after use. They can be dishwashed up to 100°C. Replace if chipped or damaged. Clean stopper with a warm, damp cloth every day after use.

Filling guide

Clean and dry the decanter; fill up to its 'shoulder' and insert stopper. Ensure product is placed in the corresponding decanter; don't mix different product batches together.

Record the bulk batch number for traceability.

Warning

Porcelain is breakable (*so be careful not to drop*).

Do not use decanters to hold food or drink.

Avoid allergy issues by giving guests access to full product ingredients.

All amenities are supplied by Molton Brown.
