## About PHARMACOPIA

**LISA LEVIN**  
FOUNDER OF PHARMACOPIA

Lisa Levin started Pharmacopia in her garden, literally, harvesting the abundant herbs and creating natural potions, fragrant soaks and healing creams. Her passion for natural health grew into a body care brand that is as healthy as it is beautiful and luxurious.

#### **Aloe Vera**

##### *Key Benefits:*

Softens and smooths the skin. Cools, calms and aids the hair and scalp. Traditionally used to accelerate and aid in the healing of skin.

#### **Green Tea**

##### *Key Benefits:*

Used in folk medicine for thousands of years to promote health and well-being. Potent antioxidants help keep skin looking younger by protecting it from environment stressors.

#### **Lemon Verbena**

##### *Key Benefits:*

Its lovely lemony scent has a calming effect on the nervous system. Used by herbalists for sleep and to relax body and mind. Essential oil easily absorbs into the skin to help keep it hydrated.

## **Ingredients**

#### **Sunflower Seed Oil**

##### *Key Benefits:*

Leaves the hair easy to comb, supple, soft and shiny and/or imparts volume, lightness, gloss, etc. Maintains the skin in good condition. Light oil, absorbs easily into the skin and hair. Aids in providing a protective moisture barrier for both the skin and the hair.

#### **Grape Seed Oil**

##### *Key Benefits:*

Softens and smooths the skin. Protects against environmental aggressors. Provides nourishment to all types of hair and skin. A powerful blend of high antioxidant oils.

#### **Jojoba Oil**

##### *Key Benefits:*

Softens and smooths the skin. Used for smoothing and conditioning.
