

Dry Accessories Collection

HUNTER
AMENITIES

A woman with long brown hair, wearing a long white dress with wide sleeves, stands in the center of a desert landscape. In the foreground, a large, intricate labyrinth made of smooth, rounded stones is laid out on the sandy ground. The woman is walking along one of the paths of the labyrinth. The background features rolling desert hills with sparse green and yellow shrubs, and a range of rugged mountains under a clear sky.

The Hunter dry accessories collection has been created to provide your guests with the additional care & luxury they deserve when staying at your properties.

All dry accessory products use eco-friendly packaging materials, including 100% recyclable Kraftpaper pouches or unlined Paperbox cartons and vegetable based inks.

- FSC Certified, 100% recyclable and Paperbox cartons and pouches
- 100% plastic-free accessories
- Wheat straw razor, toothbrush and comb
- Optional bamboo razor, toothbrush and comb
- Printed with eco-friendly inks

BARLEY PAPER

Premium Option

ABOUT BARLEY PAPER

Our barley paper pouches are a sustainable and natural packaging alternative. Paper pouches are pure cellulose and it's made of barley fiber and recycled paper pulp. Production process is more sustainable as it uses 90% less water in its production than the traditional virgin wood process, along with less energy and fewer harsh chemicals. Barley paper can be recycled with any other paper.

KEY BENEFITS

- ✓ Uses 90% less water in production process
- ✓ Recycled and Recyclable
- ✓ 100% Plastic-free
- ✓ Biodegradable
- ✓ Completely sustainable
- ✓ High durability and tear resistance

WHEATSTRAW

Premium Option

ABOUT WHEATSTRAW

Our wheatstraw eco-friendly accessories are a smart, environmentally responsible alternative to plastic.

Wheatstraw starch is the stalk left over after wheat grains are harvested. It has traditionally been treated as a waste, however now it is reclaimed and used to make our eco-friendly wheatstraw accessories.

SAY YES TO LESS PLASTIC!

Wheatstraw accessories are the clever replacement for regular plastic injection molded products such as toothbrush, shavers and combs.

Wheatstraw fibre is mixed with PE material to reduce the amount of plastic and reduce the waste of farm crop.

KEY BENEFITS

- ✓ Uses 50% less plastic than regular products
- ✓ Made with eco-friendly natural wheatstraw and food safe PE material
- ✓ Tough and durable, yet light weight
- ✓ Smooth texture and fade resistant
- ✓ BPA free
- ✓ Non-allergenic and non-toxic
- ✓ Diverting material from waste

BAMBOO

Luxury Option

ABOUT BAMBOO

Bamboo fiber is an environmentally friendly material, with less pollution to the environment and is 100% biodegradable. It is a natural antibacterial, with excellent mechanical properties. Bamboo forests can be grown in a few years so it is completely renewable. It is also a sustainable resource as there is no need to cut down trees. It's a common misconception that bamboo is a species of tree...but it's actually a grass plant!

KEYFEATURES

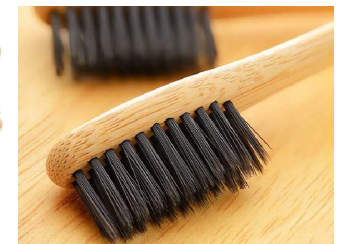

- ✓ Tough/durable
- ✓ Sustainable resource

- ✓ No trees used
- ✓ Requires less water

- ✓ Biodegradable
- ✓ Fastest growing plant

SUITABLE FOR

- ✓ Toothbrush
- ✓ Razor
- ✓ Comb

Packaging and accessories

Certifications

All our dry accessories use eco-friendly packaging materials from certified sources.

Packaging materials for our paper boxes and pouches are FSC Certified as well as 100% recyclable and 100% Plastic-free.

We use recognizable logos and messaging on the packaging, creating more awareness about sustainability.

Recyclable products

Toothpastes used in our products are fully compliant with Halal and Kosher Certification, which gives the guarantee that products are manufactured in a clean environment.

Our paper pouches are printed with soy-based ink which is a biodegradable and natural product. Soybeans are 100% renewable and can be grown indefinitely. This is a great alternative to reduce waste.

Soy-based ink
