BROWN

CONSCIOUSLY DESIGNED

The NEW Essential Accessories Collection is designed for a more conscious travel experience; ritual-laden and thoughtful. From the luxury exfoliating pad to the bamboo comb, it comprises a slate of essential accessories crafted with understated lines and minimised plastic waste to perfectly match any contemporary hotel interiors. Honing down on natural materials, it favours the beauty of simplicity over surplus adornments while reflecting Molton Brown's signature refinement.

- 100% recyclable packaging
- Made using FSC approved Kraft Paper
- Eco-friendly glue
- Tamper seals on each side of packaging

A less-is-more way for guests to embrace their routine on the go.

THE LINE UP

NEW COMB – NMB25012

A consciously designed accessory, our all-new comb is made from 100% bamboo and gently detangles strands.

Did You Know? Bamboo naturally reduces friction and frizz while amplifying shine.

DENTAL KIT – NMB25002

Complete with a toothpaste, our Dental Kit features a bamboo toothbrush – a more conscious option for guests' everyday ritual.

Did You Know? Shaped with gently curved lines, our toothbrush is minimal in design and intuitive to hold.

EXFOLIATING PAD – NMB25004

A luxury touch that goes beyond the expected, this accessory leaves guests' skin smooth and refreshed, as part of a refined 'me-time' ritual.

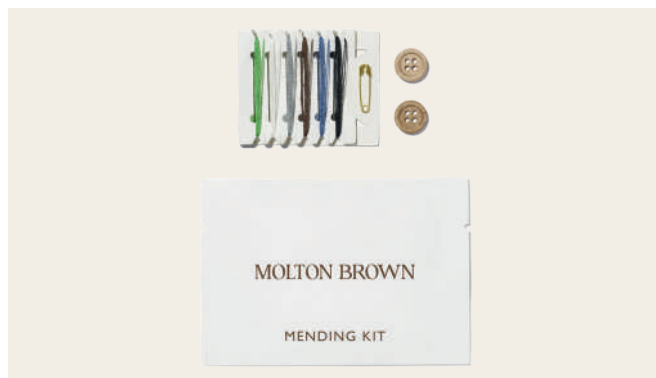

Did You Know? The Exfoliating Pad is made with hemp to brighten and rejuvenate skin.

NAIL KIT – NMB25007

Made from 100% wood, the Nail Kit ensemble comprises a file and a cuticle stick for perfectly finished nails pre-event.

Did You Know? The Nail Kit ensemble now comes with a cuticle stick too, to complete a grooming routine.

MENDING KIT – NMB25009

Neatly presented in a foldable cardboard design, the Mending Kit is designed with less plastic than our previous kit for an altogether more conscious and refined guest experience.

Did You Know? The included needles are pre-threaded so it's easy to repair your pieces on the spot.

SHAVING KIT – NMB25003

Blending clean lines with a refined aesthetic, our Shaving Kit comes with a bamboo-handle shaver and a shaving cream.

Did You Know? The shaver's bamboo handle has an ergonomic contour that lies effortlessly in-hand.

SHOE MITT – NMB25008

Minimally finished with clean lines and neat topstitching, the Shoe Mitt is crafted from pure cotton for an effective polish.

Did You Know? Our Shoe Mitt is now shaped with a rounded edge to deliver an ergonomic polish.

SHOWER CAP – NMB25005

The Shower Cap is a practical and considered essential to guests' everyday routine, keeping hair neatly tucked in and dry.

Did You Know? Our Shower Cap is made using 100% post-consumer recycled plastic that's been given a new lease of life.

VANITY KIT – NMB25011

The Vanity Kit is thoughtfully curated with white cotton pads and complementing wooden-stemmed cotton buds.

Did You Know? Made with cotton and wood, our Vanity Kit doesn't contain any plastic elements – presenting a more mindful choice for guests.
