

About the brand

Byredo’s approach to fragrance is tied to Memory, Travel & Emotions. This is achieved through a unique style of perfumery, that uses a very small number of raw materials per composition. Each fragrance is a story, a sketch in itself as Ben Gorham is translating memories and emotions into perfumes.

Amenity collection

With a focus on beauty and fantasy, Bal d’Afrique is Ben Gorham’s “love letter” to Africa. To epitomize and celebrate the reach and influence of Africa through time, particularly the way its myriad cultures have shaped dance, art, and music, the idea of an imaginary event.

Amenity collection

Gypsy Water is an ode to the beauty of Romani culture, its unique customs, intimate beliefs, and distinguished way of living. The scent wakens a dream of a colorful lifestyle made of innate nomadism. Woody notes of pine needle and sandalwood, mingle with intense amber and fresh citrus, to evoke the fever of gypsy nights spent in the forest.
