About the brand

In the late 1800s, skilled perfumist Victor Vaissier created a luxury soap brand in Paris, inspired by his international travels. Popular with European and Russian royalty, the brand became synonymous with luxurious fragrances that were both exotic and different.

Amenity collection

Inspired by Victor Vaissier's 1889 classic fragrances, the Atmosphere amenity collection is a revitalizing blend of thyme and eucalyptus with a dash of pine creating a fresh, invigorating scent. Perfect to energize body and mind.
