

About the brand

Le Labo exists to make people’s lives more beautiful through our craft of slow perfumery and celebrating craftsmanship in everything we do. Our intention is to enhance a task as simple and mindless as washing and grooming ourselves, into a memorable, sensorial experience that lingers. We selectively offer our creations to like-minded partners who are committed to their elevated approach to service. Our collection of plant-based amenities designed to bring simplicity to your life. Free of any promise other than making you feel good.

Amenity collection

The Hinoki scent is inspired by the Buddhist temples of Mount Koya in Japan which all carry the mystical, profusely warm and mesmerizing scent of the hinoki trees from the surrounding forest.

Amenity collection

Le Labo’s Basil fragrance amenities highlight the herb’s natural vibrancy by pairing basil with bright, citrus-forward verbena. The combination deepens basil’s green, aromatic character while adding a fresh, vegetal lift that feels both clean and modern. This balance of crisp citrus and herbal warmth creates an invigorating scent profile that elevates everyday essentials into a refined sensory experience, perfect for hospitality spaces aiming to offer something quietly luxurious.

Amenity collection

An extension of our Santal 33 fragrance. Santal 33 touches the sensual universality with its Australian sandalwood. In a few words, Santal 33 is: an open fire, the soft drift of smoke, after the light has gone.
